## Muskan Special School and Rehab Center

The Mercy Rehabilitation Society, Sawaimadhopur has a special school namely Muskan Special School and Rehab Center under the umbrella of Deen Dayal Upadhyal Rehabilitation Scheme of Ministry of Social Justice and Empowerment, New Delhi. The Centre was initiated with a purpose to provide specialized and comprehensive rehabilitation services to the children with intellectual disability.

The school is equipped with qualified professionals providing quality education and training to the children with intellectual disability. The Centre is providing education and training to children with intellectual disability in order to develop their innate potential to the maximum. The school has strength of 45 nonresidential children with intellectual disability. The service activities include psychological assessment, physiotherapy, speech therapy, parent counseling etc. The Centre also conducts regular curricular and co-curricular activities for them.

The special school is very much comprehensive about the special education and rehabilitation of children with intellectual disabilities. The Professional evaluated performance of child and informed their parents. They are also maintaining records of children. Apart from the curricular activities, the special school is also focusing on the development of co - curricular activities of the children with intellectual disabilities.

#### **Details of Children with disability (Non residential):**

General	Schedule Caste	Schedule Tribe
22	19	4

#### **Home visits by professionals:**

Apart from the Centre based rehabilitation services to the children with intellectual & developmental disabilities, this institute has been also extending its services in home based environment. Under this, the professionals are visiting the houses of the needy persons with severe / multiple disabilities probably on Saturday and providing need based intervention in the home based environment by using local teaching & training materials. They are also providing training to the parents / siblings to achieve good results.

#### **Parent Teacher Meeting:**

The Center has been conducting parents meetings and discussing all the issues which are essential to the development of appropriate rehabilitation services at the center premises every month. Thus a total of 10 such meetings were conducted by the institute during the financial year 2013-14. In this programmes the parents of children with intellectual & developmental disabilities have been actively participating and sharing their views & opinions which strengthens the performance of the center.

## **Independence Day Celebration:**

The institute had arranged a special function on the eve of Independence Day celebrations on 15.08.2013 at the special school premises. On this occasion Sri Arvind Singh, Secretary of the institute had hoisted the National Flag and appreciated the faculty members, parents and children for good cause of action for the rehabilitation of children with intellectual disabilities.

## **Environment Awareness Programme:**

Promoting environmental awareness is an easy way to aware society and maintain environment green and clean and helps in maintaining the proper ratio of air in the environment. Mercy Rehabilitation Society with the help of Brilliant Mission Academy School organized a rally in that approx 260 students participated for the creating awareness about the environment among the people.

A programe was organised in the chairmanship of Shri Hakim Singh at community hall of the Shitla Mata Mandir. The chief guest was Shri Kalyan Mal Kaawaria and the resource person was Shri Pradip Singh. Participants took oath to save the tree.

## **Teachers Day Celebration:**

This institute has arranged a special function on the eve of Teacher's day celebrations 2013 at the special school premises in which the children with intellectual disabilities have participated in cultural events. The need and the role of teachers in the rehabilitation process of children with intellectual disabilities were elaborated on this occasion.

### **Survey & Identification:**

In order to provide the quality of special education and training to all the needy children with intellectual disabilities in and around Sawaimadhopur. The team of professionals from Muskan Special School and Rehab Center has visited different locations for survey and identification of children with intellectual and multiple disabilities.

### **Vocational Rehabilitation Center:**

Vocational rehabilitation is very much essential for the economic independence of any person. To provide quality individualized services and enhance skills in person with disabilities and to obtain employment. Persons with Disability will work closely with a Vocational Instructor throughout the process. Through active participation in their rehabilitation, people with disabilities achieve a greater level of independence in their work place therefore Mercy Rehabilitation Society, Sawaimadhopur has started a Vocational Training Center for the Person with Disability since April 2014.

In spite of these, the organization continuously working with them and a total of 160 persons with disability got benefitted with disability certificate, railway pass etc. Mercy Rehabilitation Society, Sawaimadhopur has been doing awareness generation programme in the community, parents counseling, supporting in aids and appliances distribution, survey etc.

### **Awareness Generation for people with HIV/AIDS:**

Mercy Rehabilitation Society, Sawaimadhopur has adopted the motto to improve general health of the communities and prevent them from various communicable diseases, such as HIV/AIDS etc. It has taken up strong commitment to prevent the HIV/AIDS and improve the sexual Health. In this connection, this institute has been conducted awareness generation programme for the people living with HIV/AIDS and for their families. A programme for the awareness generation regarding the HIV and its spread to people to people was explained by Dr. Vijaj Mittal, a well known doctor in the district, as resource person at Adalwada, Sawaimadhopur. The organisation will work the same programme at Sawaimadhopur Shahar, Choru Pachal, Chauth ka Barwada etc in the next financial year.

## **Women Empowerment:**

Gender equality and women's empowerment not only as human rights but also a path to achieve the Millennium Development Goals. Mercy Rehabilitation Society had organized women empowerment programme for the schedule caste / schedule tribe women living in the rural areas of Bhagawatgarh and Dobara village. Women health, education, rights and women honour and women empowerment was the main objective of the programme. The center will continue the programme for the next financial year.
